This certificate program consists of six core courses. These specific courses have been selected to provide the essential training that will benefit anyone who desires to pastor (full time or bi-vocationally), preach, teach, participate on short-term mission trips, lead bible studies, spend extended time on the mission field, or want to make sure they continue to grow in the knowledge and handling of God's word. This certificate is a pre-requisite to the Certificate in Pastoral Studies and Certificate in Discipleship Studies.
