Communicating Biblical Messages Course Syllabus

Course Description:

Designed to equip and train Bible teachers and other believers with the knowledge and skills necessary to effectively prepare and deliver expository messages from God's Word which are biblically sound and responsive to the needs of people. Much emphasis is placed on practical preparation of the speaker and the message with numerous examples and practice assignments.

Course Goals:

1. To demonstrate from Scripture the absolute necessity for the expository sharing of the Word of God.
2. To enable speakers to see themselves from God's perspective.
3. To underscore the importance of the speakers' spiritual preparation.
4. To practically train speakers in the basic skills of preparing expository biblical messages.
5. To emphasize the need to allow the text of Scripture to determine both the content and structure of the message.
6. To teach speakers how to effectively deliver biblical messages.
7. To show that the goal of sharing God's Word is life change—becoming more like Jesus Christ.

Communicate the Word so people can understand and obey.
